Solutions Exchange Named Exclusive Mailscape Distributor for France

Mailscape is a Unique and Innovative Solution for Microsoft Exchange System Management

[Orange, CA, and Paris, France – Monday, 2 April 2007]

ENow Inc, an emerging force in the development of software to simplify Microsoft Exchange system management, is pleased to introduce Solutions Exchange as the exclusive distributor of Mailscape in France.

Mailscape is a unique and innovative systems management tool that automates and streamlines Exchange monitoring, administration, and maintenance. Mailscape's "one look dashboard" provides administrators with vital information about each server's current state and growth rate to facilitate proactive Exchange management. The recent release of V4.0 includes a sleek new user interface along with many new and improved graphical presentations of vital Exchange system data.

"Mailscape is the cumulative result of a decade of experience in managing Exchange using both manual processes and third-party point solutions," says Enow's founder and CEO JP Gundotra. "It was designed by Exchange administrators for Exchange administrators. We built Mailscape to make our jobs—and yours—easier."

"Mailscape is a product every Exchange administrator on the planet will want to have," says Lasse Petterson, an Exchange MVP with HumanData Inventus in Sweden.

"Mailscape is a unique and innovative solution to the problem of finding time to manage Exchange according to Microsoft Best Practices," adds Patrice Russ of Solutions Exchange, exclusive Mailscape distributor in France. "It truly is everything you need in a single, easy-to-deploy package."
