

## **04 July 2007:: PRESS RELEASE – NETsec Named Exclusive Mailscape Distributor for Germany, Austria, and Switzerland**

ENow Inc, an emerging force in the development of software to simplify Microsoft Exchange system management, is pleased to introduce NETsec as the exclusive distributor of Mailscape in Germany.

Mailscape is a unique and innovative systems management tool that automates and streamlines Exchange monitoring, administration, and maintenance. Mailscape's "one look dashboard" provides administrators with vital information about each server's current state and growth rate to facilitate proactive Exchange management.

"Mailscape is the cumulative result of a decade of experience in managing Exchange using both manual processes and third-party point solutions," says ENow's founder and CEO JP Gundotra. "It was designed by Exchange administrators for Exchange administrators. We built Mailscape to make our jobs—and yours—easier."

"Mailscape is a product every Exchange administrator on the planet will want to have," says Lasse Pettersson, an Exchange MVP with HumanData Inventus in Sweden.

"Mailscape is a unique and innovative solution to the problem of finding time to manage Exchange according to Microsoft Best Practices," adds Patrice Russ of Solutions Exchange, exclusive Mailscape distributor in France. "It truly is everything you need in a single, easy-to-deploy package."

"Mailscape is an easy-to-setup and intuitive-to-use management solution for Exchange admins and service providers. And it enables Human Resource and Helpdesk departments to proactively manage users' mailboxes through a shared web interface," says Hans Willi Kremer of NETsec in Germany, exclusive Mailscape distributor in all German-speaking countries.
